National Honor Society Does Splendid Job.

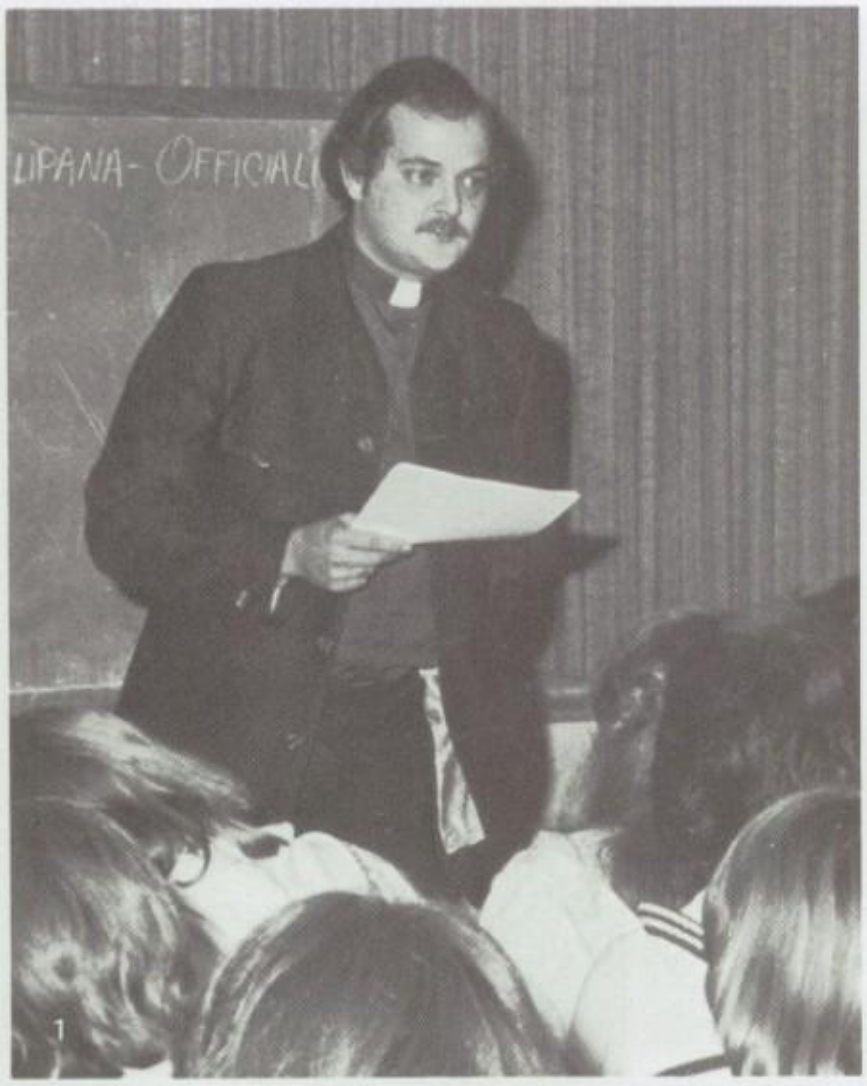
The National Honor Society is a group of Juniors and Seniors who maintain a B or above average for the entire year.

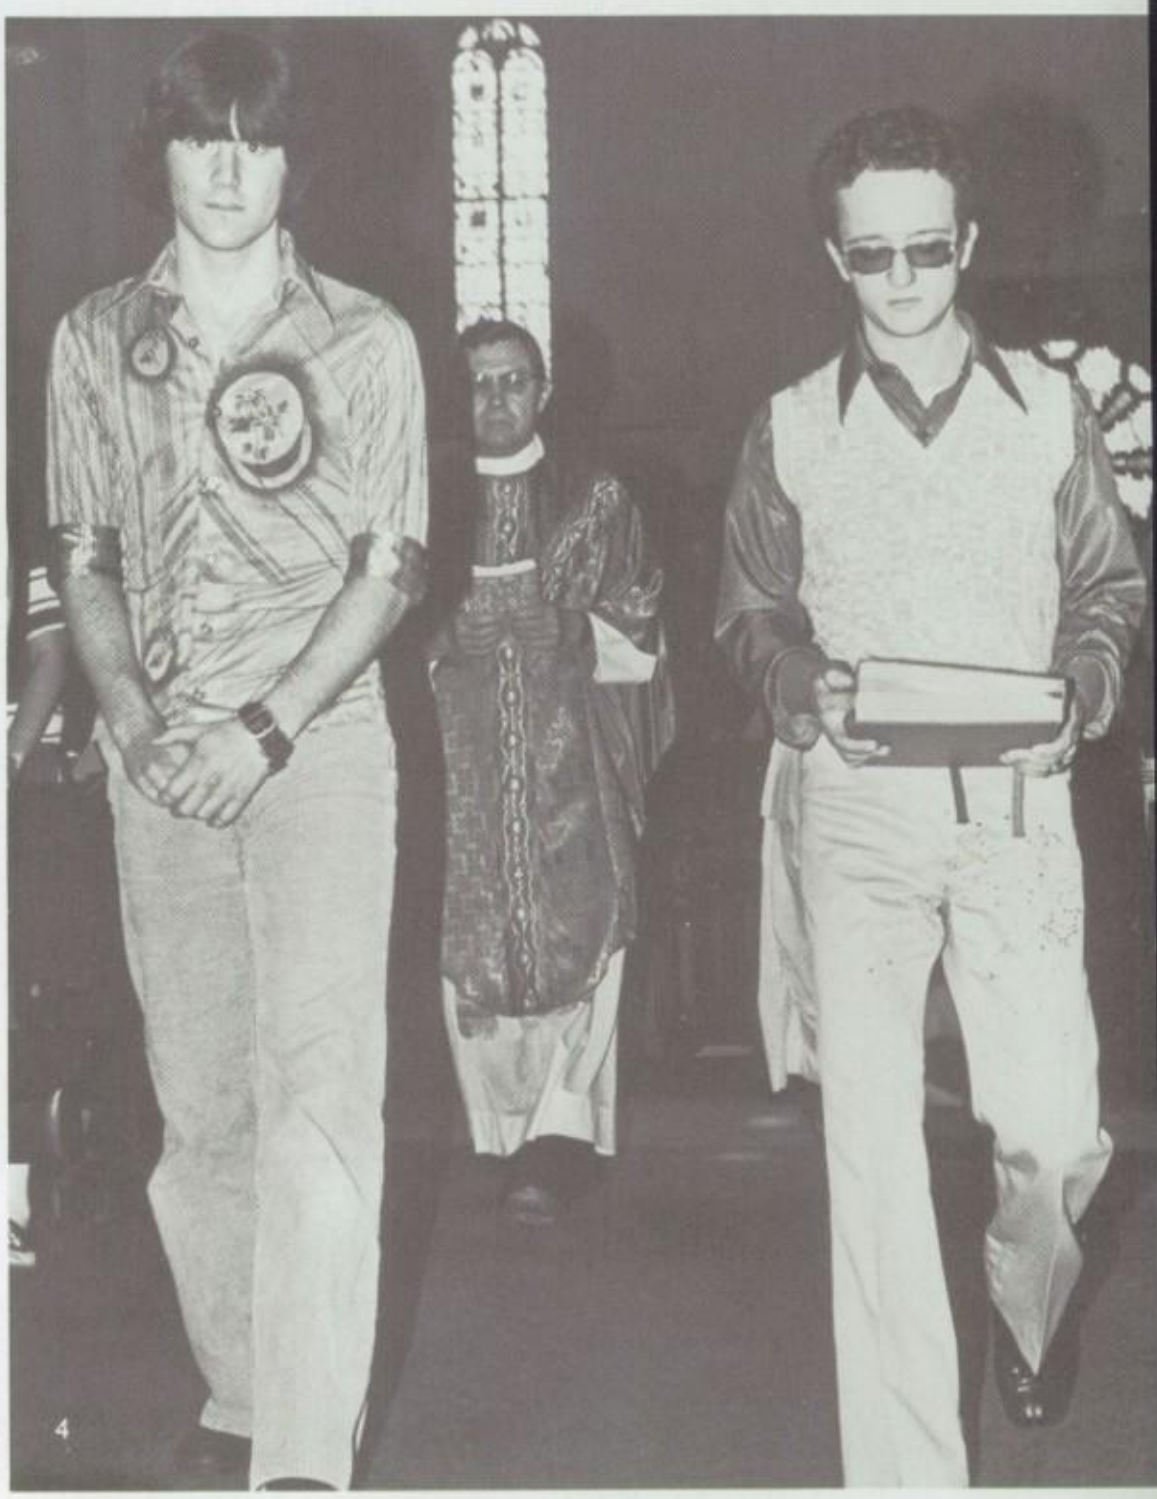
Being a National Honor Society member is something that can be said with pride. Those who have worked to belong in National Honor Society can be happy to hold the title. St. Mary's Honor Society of 1977-78 was in charge of painting the school cafeteria. The top right hand picture shows those who led the task. The National Honor Society was also responsible for the distribution of Honor Award buttons. This was the first year and was appreciated by those who got one.

The Senior members of the National Honor Society are: Theresa Ball, Mary Biber, Renee Black, Tom Bruegging, Joan Carrol, Cindy Dunn, Sarah Harris, Phil Klassen, Linda Lipoma, Barbara McCartney, Missy McEnroe, Karen Mehan, Theresa Meyer, Diane Muller, Kathy O'Brien, Susan Puhr, Kathy Rittel, Robin Sibert, Debbie Spickler, Bruce Stoecklien, Gina Strada, Warren Zeller.

The Junior members are: Patti Austin, Barbara Higgins, Theresa Hopper, Theresa Kinney, Fonda Landers, Mark Petrovic, Kathleen Raveill, Joe Salva, Elleine Stoecklein, Chris Woods.

Religion - A Special Part Of SMH





1. Fr John Tulipana gives a talk to the sophomores. 2. (L to R) Chuck Hogan, Greg Walters, Fr. Mike Mulhearn, Fr. Tom Wheland, and Mr. Yanez combine efforts in celebrating the Mass. 3. Participating in the model of the United Nations, Barb Higgins gathers information for defending Taiwan. 5. Also collecting facts are Suzanne Mueller and Marion Baker.

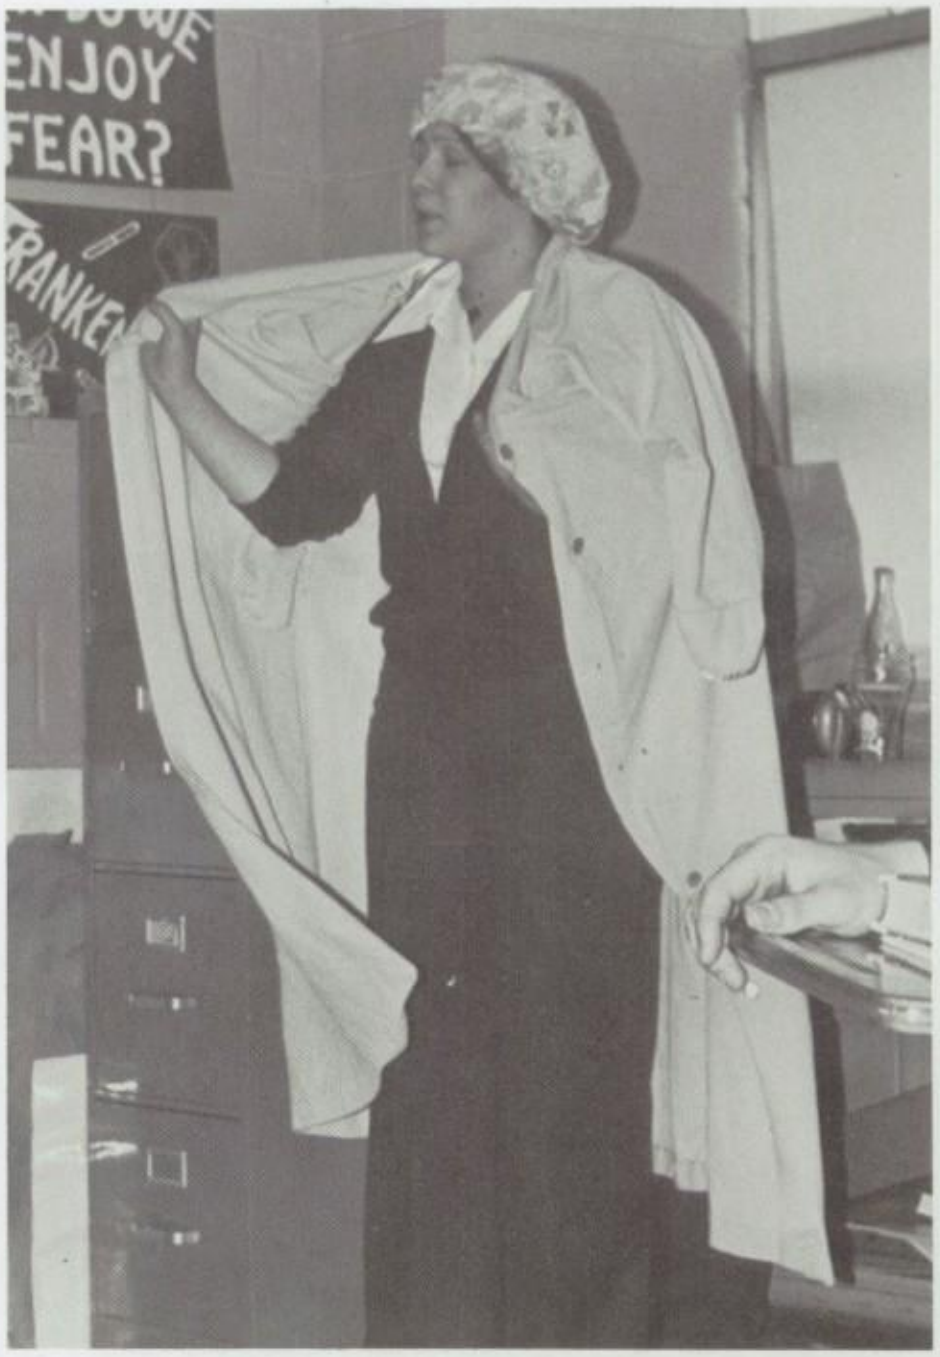
Current Issues And Psychology



With magazines serving as textbooks, the Current Issues class studied the problems in the world today. Articles taken from Newsweek, were studied. Mr. Schick taught the strictly Senior class.

Miss Stucka introduced psychology into the cirrucuium this year. The class studied the way people behave and why. This involved the taking and analyzing of I.Q. tests, the study of mental health, and the part emotions play in your life. Different activities were arranged to give the students a look into day to day life.

Students Sentenced To English Class

The student body discovered English consisted of more than nouns, verbs, and prepositions. Various films were shown and many classes staged plays. The Book Fair enabled the students to broaden their reading abilities. Amid all the activities, though, there was time for quiet study in the library.

A QUICK LOOK AT PARIS

''On March 25th, 1978, twelve St. Mary's girls left K.C.I. for an American Leadership Study Group tour of London and Paris. We will cherish our memories.

We 'clowned'
We took pictures
We 'conserved energy'
We compromised

But most often we laughed ... and we learned about people and countries very different from our own.''

He teaches students how to do research, prepare, and present a speech in front of other people. This class is a good requirement because it teaches the students leadership and it presents to them the qualitys of a public leader.

FONZIE

In the fall of 1977 the beloved Alfonso passed on into a better world. He was four years old. Miss Warger told students that he was very old for a laboratory rat ... but he was not just a laboratory rat. He was a symbol, a mascot of Science Club.

Joe Salva performed the autopsy on Alfonso soon after his death at the animal shelter. He died of old age.

Alfonso was a black and white, hooded rat. He passed aways on a weekend when no one was around to retrieve his tired, old bones, but he was still deeply loved.

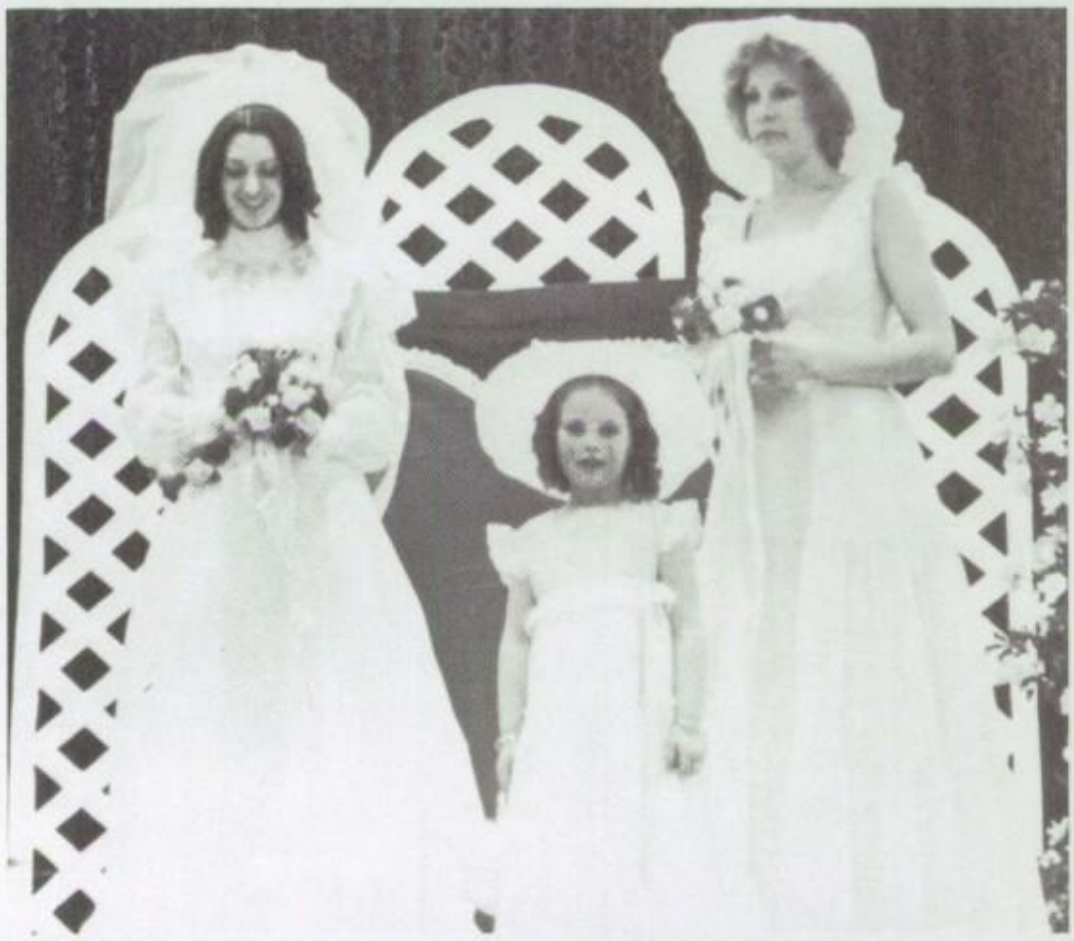
Sewing-More Than It Seams



By working hard all year the sewing department has accomplished much. The track banners hanging in the gym were made by the girls. They also helped with the costumes for the play, sewed up football jerseys, helped repair the curtain, and put on a fashion show. They helped out at Christmas by participating in the Toys for Tots program. They also helped any student who happened to come along with a broken zipper or a rip in their pants.

The pre-sale of yearbooks was promoted by the slogan, ''I'm Impressed.'' Iron on decals were distributed to those who bought yearbooks.

The number of books sold, in comparison to past years was something they can be proud of for some time to come. The staff and it's instructors deserve alot of thanks.

"This year began with a young, inexperienced squad making costly mistakes that put us in the hole. However, we never gave up and made good progress towards becoming a sound fundamental team. We lost some close ball games but still our spirit was not dampened. We finally put it all together at the end of the season beating one of the best defensive ball clubs of any school our size. The improvement from the first game to the last game still has area coaches wondering. Each and every player has a great deal to be proud of."

Unlike many powder puff games, this one was not touch; it was tackle! The girls were garbed in complete football gear- helmets, shoulder pads, mouth guard, thigh pads, elbow pads, forearm pads, and wrist pads. The game ended in a 0-0 tie. There were no losers. There were many, many winners.

...a dream
...ar beyond these castle walls
Down by the bay where the
Moonlit water falls
I stood alone while the
Minstrel sang his song
So afraid I'd lost my soul

There in the fog his song
Kept calling me
Leading me on with its
Haunting melody
Deep in my heart a voice
Kept echoing
I knew I'd soon be wandering

Far beyond these castle walls
Where I thought I heard
Tiresias say
Life is never what it seems
And every man must meet his destiny.
